

STATUS OF THE APPLICATION AND CLAIMS

Status of the Application

A Petition to Revive the subject application for unintentional abandonment under 37 CFR 1.137(b) is being filed herewith along with the appropriate fee.

Status of the Claims

Claim 7 directed to a powder coating composition was allowed in the previous office action.

Claims 2-6 have currently been amended and are either directly or indirectly dependent on Claim 7.

Claims 8 and 9 are each directed to a process for forming a powder coating composition and have currently been amended to forming the powder coating composition of claim 7.

Claim 10 is directed to a coated article and has been currently amended to an article coated with the powder coating composition of claim 7.

Claim 11 is an original claim.

REMARKS

In the final office action mailed June 19, 2006, Claim 7 was allowed. In the above amendments to the claims, claim 1 was canceled and coating composition Claims 2-6 were amended and now are either directly or indirectly dependent on allowed claim 7 and also should be allowable.

Claims 8 and 9 were amended and are now directed to processes for forming the novel powder coating composition of Claim 7 and should be allowable.

Claim 10 is directed to a coated article and has been amended to an article coated with the novel composition of claim 7. Claim 11 is also directed to a coated article and is dependent on Claim 10. Both claims should be allowable.
